**Item 12: Do any of the above described services include political activity as defined in Section 1(o) of the Act? If yes, describe separately and in detail such political activity. The response must include, but not be limited to, activities involving lobbying, promotion, perception management, public relations, economic development, and preparation or dissemination of informational materials.**

Influencing U.S. public opinion on behalf of any foreign entity or individual in Turkey is not part of the Turken Foundation's mission. The Foundation understands, however, that certain of its previous and future activities could be construed as "political activities" as defined in the Foreign Agents Registration Act. The Foundation also intends to continue to operate its annual program taking U.S. Muslim students to Turkey for historical and cultural education where students are sometimes exposed to political content.
